

IN THE DISTRICT COURT OF APPEAL  
FOR THE FIFTH DISTRICT  
STATE OF FLORIDA

DCA NO.: 5D11-2357

CASEY MARIE ANTHONY,  
Petitioner,

vs.

STATE OF FLORIDA  
Respondent,

\_\_\_\_\_ /

**AMENDED MOTION TO SUPPLEMENT THE RECORD**

The Appellant, CASEY ANTHONY, by and through her undersigned counsel, and, pursuant to Fla. R. App. P. 9.200(f), moves this Honorable Court to supplement the record, and as grounds, therefore, states:

1. The record in this matter was filed on January 10, 2012.
2. The undersigned believed that “copies of any tapes, CDs, DVDs, or similar electronically recorded evidence” was included in the voluminous record. However, no copies of audio recordings placed into evidence were included in the record.
3. Appellant has filed a Motion for Rehearing in this matter. One basis for rehearing is the assertion that an audio recording of an interrogation of the Appellant will establish that a key finding of the trial court was not supported by competent, substantial evidence.

4. In order to fully and fairly resolve this issue, the undersigned respectfully requests this Honorable Court supplement the record with the audio recording of the interrogation of the Appellant at Universal Studios. Undersigned counsel reasonably believe that a review of the actual audio recording will establish that the interrogation of the Appellant at Universal Studios was both intimidating and accusatorial.

WHEREFORE, the Appellant respectfully requests that this Court enter an order supplementing the record with the audio recording of the Appellant's interrogation by Detective Melich, et. al.

**CERTIFICATE OF SERVICE**

I HEREBY CERTIFY that a true and correct copy of the above was furnished by electronic delivery to Assistant Attorney General, Wesley Heidt, Office of the Attorney General, on this 11<sup>th</sup> day of February, 2013.
