

NOTICE: Upon the filing of a petition or motion that is determined by this Court to present a true emergency situation necessitating urgent, immediate action before a transcript could reasonably be prepared and transmitted to this Court, this Court may order the filer of the emergency petition or emergency motion to immediately electronically file, through this Court's eDCA portal, a MP3, MP4, or WAV sound file of the hearing at issue. No sound file should be submitted unless and until ordered by this Court.
